

HQ Operating System

OFFICIAL XPRIZE SUBMISSION DOCUMENT

Pre-Revenue Declaration & Financial Evidence Statement

This document serves as the official financial disclosure for the **Build with Gemini XPRIZE** hackathon submission on Devpost, supporting the cash-basis Profit & Loss (P&L) statement.

Project Name	Hackathon Program Window
HQ (by Netify Ltd.)	May 19, 2026 – August 17, 2026
Accounting Standard	Operational Status
Cash-Basis Accounting	Live Production (Pre-Revenue)

Financial Breakdown

Category Description	Sub-Category Details	Amount (USD)
3rd-Party Customer Revenue	Direct cash sales from independent customers	\$0.00
Related-Party Revenue	Sales from team members / acquaintances	\$0.00
Total 90-Day Cash Revenue	Pre-Revenue Stage	\$0.00
Google Cloud Platform (GCP)	Infrastructure setup & auth deposit	\$30.00
Gemini API Subscription	Developer license & token testing	\$20.00
Total Infrastructure COGS	Direct project expenses	\$50.00

Category Description	Sub-Category Details	Amount (USD)
NET PROFIT / (LOSS)	90-Day Hackathon Total	-\$50.00

Declaration Statement: I hereby confirm that HQ is currently operating in pre-revenue stage (\$0.00 cash sales during the hackathon period). Customer pipeline interest exists under parent entity Netify Ltd., but no customer cash was collected prior to final submission. The \$50.00 in expenses reflects direct Google Cloud hosting and Gemini API fees.
